spa etiquette and advice

Appointments

Telephone: +34 968 33 8101; Resort ext. 6100 / 6101. E-mail: spa@lamangaclub.com

We highly recommend you book well in advance to avoid disappointment.

Please note that you will be asked for a credit card number at the time of booking.

Choosing your treatment

We hope this brief guide will be of assistance, but if you are not sure about which treatment to choose or would like more detailed information, simply contact Spa Reception and we will be pleased to help.

Your health and comfort

Please tell us if you are pregnant or have any particular health conditions or concerns (such as high blood pressure, allergies, injuries or disabilities) when you book. If you experience any discomfort during treatment, please let your therapist know straight away.

Arrival time

We recommend that you arrive 30 minutes before your appointment, allowing you to relax and enjoy our spa facilities beforehand. Late arrival will simply reduce the time available for your treatment, lessening its effectiveness and your enjoyment.

Spa environment

Your co-operation in helping provide a quiet, relaxing environment by switching off your mobile phone or pager is greatly appreciated. If you need to use your telephone for any reason, you may do so in the lobby area.

Spa attire

There are ample changing facilities at the spa. Robes and slippers are provided for your comfort before and after treatment. During treatment your body will be fully draped except for the area being worked on, but please feel free to wear whatever is comfortable for you. Please note that swimsuits must be worn in all public areas, including the unisex saunas, steam rooms, jacuzzis and indoor pool and that swimming caps are required in the indoor pool.

Lockers

Whilst lockers are available at the spa for your personal belongings, we recommend that you leave jewellery and valuables at home, or in the safety deposit box of your guest room. Spa La Manga Club is not responsible for any lost or stolen items.

Shaving

For maximum benefit, we suggest that men shave two hours or more before having a facial treatment, although it is not essential. We do not recommend shaving less than two hours prior to a facial or before any body treatments or hair removal services.

Children and teens

Although the minimum age is normally 18 years, we are happy to provide advice regarding suitable treatments for teens. Those aged 16–18 years may use the gymnasium provided they are accompanied by an adult. The indoor swimming pool is open to everyone over the age of 16 years and to under 16's when accompanied by an adult. Standard charges and conditions apply in all cases.

Payment, changes and cancellations

We accept all major credit cards and cash. If you are staying at the Hotel or Las Lomas Village you can charge spa services to your room account. If you need to reschedule or cancel your appointment, please notify us six hours in advance to avoid being charged the full service fee. Cancellations of packages or private parties require 24 hours' notice.

Gift certificates

Spa La Manga Club Gift Certificates can be purchased for a specific service or to the value of your choice.
