## THE SPA ELDER

THE SPA ELDER PROGRAM IS AVAILABLE TO GUIDE AND  
IMPART KNOWLEDGE FOR ALL GUESTS

Embraced by century-old traditions, Jamaicans have been using “bush” remedies to heal and nurture their people. Traditionally, healing medicines using indigenous ingredients such as fruits, herbs, flowers, bark, and roots have been used. The Spa Elder is a natural extension of this healing tradition, which is the foundation for spa therapies and philosophy at Fern Tree, The Spa at Half Moon. Part healer and part herbalist, Fern Tree’s Spa Elder has created a unique, custom programme that incorporates traditional remedies and present-day spa experiences. Drawing from Jamaica’s rich traditions, the Spa Elder has created healing rituals, natural products and recipes to improve health and well being, and deliver rejuvenating results.

The Spa Elder programme is available to guide and impart knowledge to all guests wishing to have a consultation. Classes as well as private consultations for specifically designed spa therapies will be provided.

Throughout the spa menu you will note therapies that have been specially created by the Spa Elder. These treatments are based on Jamaican and Caribbean herbal remedies and use hand-picked, indigenous ingredients.

Consultations may be scheduled for advice on indigenous skin or body treatments; a detailed regimen of treatments suited to your individual needs; or simply for learning about Jamaican herbs, treatments and healing remedies.

## SPA WELCOME AND DEPARTURE RITUALS “CELEBRATE, CLEANSE & RENEW”

All therapies begin with the Spa Welcome Ritual ~ the celebration of nature.

Hot water will be infused with either nutmeg oil for its uplifting and energizing effect or lavender oil for its calming and relaxing properties. The steam is inhaled while gently misting the treatment room and then placed under the face cradle or in the room.

A meditation will be offered and inviting clients:

*Breathe*

*Breath is Life*

*Breathe and Release*

*Breathe and Relax*

*Breathe*

All therapies end with a Spa Departure Ritual ~ to cleanse and renew.

Guest’s feet will be wiped with a heated aroma-infused towel of either nutmeg or lavender oil.
